

## Remote Part-Time AI & Generative AI Opportunities (June 20, 2025)

Below is a compilation of **remote, part-time** job opportunities and paid fellowships for AI/Generative AI professionals that were posted around June 20, 2025. These are **professional-level** roles (no internships or full-time positions) and all are paid. For each listing, the **role, organization, pay, and application method** are summarized:

### New\_ Public – AI Fellow (Part-Time, Remote)

- **Pay:** \$40/hour (approx. 20–25 hours/week) <sup>1</sup>.
- **Details:** A **6-month paid fellowship (July–Dec 2025)** at New\_ Public (a nonprofit R&D lab focused on healthier digital public spaces). The AI Fellow will help the team explore ethical, value-aligned uses of AI in social media and community platforms <sup>2</sup>. This is a **remote** role open to candidates in the U.S. or Canada.
- **How to Apply:** Submit an application via the online form provided by New\_ Public (Airtable link on the New\_ Public website) <sup>3</sup>. Applications are reviewed on a rolling basis, so early submission is encouraged.

### State of AI Report 2025 – Research Assistant (Remote)

- **Pay:** \$100–\$250 per day (depending on experience; payable in USD or equivalent ETH) <sup>4</sup>.
- **Details:** A **short-term remote contract** (~30 days of work between July and September 2025) to assist in producing the 2025 *State of AI Report*. The Research Assistant will work with the report's lead author to synthesize AI research, distill key trends, draft content, and create charts for this widely-read annual publication <sup>5</sup> <sup>4</sup>. Ideal for graduate-level or professional candidates with strong AI knowledge and writing skills.
- **How to Apply:** Email your application to the lead author (Nathan at Air Street Capital) as instructed, including a brief summary of your experience and a set of sample slides demonstrating your analysis of AI developments (per the guidelines in the posting) <sup>6</sup>. There is no hard deadline (rolling basis), but applying early is advised.

### United Field Services, Inc. – Part-Time AI Product Manager (Remote/ Glendale, CA)

- **Pay:** \$50–\$100 per hour (commensurate with experience) <sup>7</sup>.
- **Details:** A **flexible consulting role** (~1–2 hours per day to start) for an experienced product manager to lead AI integration in a field services company's internal operations. Responsibilities include implementing AI tools, managing a small team of AI trainers/annotators, and refining AI models for real-world workflow use <sup>8</sup>. This role can be done remotely, with an option to work on-site in Glendale, CA (hybrid flexibility) <sup>9</sup>.

- **How to Apply:** Through the LinkedIn job posting – use LinkedIn’s “**Apply**” (Easy Apply) feature on the United Field Services listing <sup>10</sup> . Ensure your LinkedIn profile/CV highlights relevant AI product management experience.

## Attivo Partners – Generative AI Specialist (Part-Time Contract, Remote)

- **Pay:** \$125–\$150 per hour (approximately 20 hours per week) <sup>11</sup> .
- **Details:** A **part-time contract** position with Attivo Partners, a San Francisco-based finance and accounting consulting firm. The Generative AI Specialist will develop and deploy AI solutions to enhance financial reporting and analysis workflows for the firm’s startup clients <sup>12</sup> . This is a remote role, though occasional travel for team events/onboarding may be required. It requires substantial experience with large language models and Python, as the specialist will introduce AI tools like ChatGPT into the company’s processes <sup>12</sup> <sup>11</sup> .
- **How to Apply:** Via Attivo’s online careers page. Candidates can fill out the application form on Attivo’s Greenhouse job portal (attach resume and cover letter) <sup>13</sup> . Be prepared to demonstrate your AI/ML project experience during the hiring process.

Each of these opportunities offers **paid, part-time engagement in AI/GenAI** work, suitable for professionals or advanced practitioners. Make sure to follow the specified application instructions for each listing, and good luck!
